About Irish Wheelchair Association

Irish Wheelchair Association (IWA) is Ireland's leading representative organisations and service providers for people with physical disabilities.

We advocate for the needs of people with physical disabilities and provide services and support to over 20,000 members in their homes and communities throughout Ireland every year.

Everything we do is driven by IWA's vision of an Ireland where people with physical disabilities can enjoy equal rights, choices and opportunities and live their lives independently.

IWA is funded by a combination of government/HSE funding; fundraising activities and corporate support. We operate to the highest standards of corporate governance, accountability and transparency.
